Sir,

Please refer to the training email from POWERGRID regarding withdrawal of implementation of regulation of power supply for Meghalaya (MeECL).

Although, as per Regulation 9 of CERC (Regulation of Power Supply) Regulations, 2010, communication of withdrawal of regulation of power supply should be given at least two days prior to the withdrawal of such regulation, POWERGRID has requested vide letter attached in the trailing email to withdraw the regulation of power supply w.e.f 00:00 hrs of 17/02/2021.

Thus to enable us to withdraw the regulation w.e.f 00:00 hrs of 17/02/2021, it is requested to confirm that the regulated power of Meghalaya from AGTCCPP and AGBPP plants of NEEPCO has not been sold in STOA (bilateral/collective) for date 17-02-2021.
